Professional Summary

Commercial banking professional with 5+ years of experience spanning credit underwriting, portfolio oversight, and client relationship development. Proven ability to manage and grow loan portfolios and structure complex credit solutions. Experienced in risk rating, credit strategy development, and cross-selling banking products. Frequently trusted to step into broader portfolio responsibilities, partner cross-functionally, and guide junior team members.

Work Experience

Senior Credit Analyst

06/2023 – Present

Bank of Marin

Oakland, CA

- Underwrote a wide range of commercial credit facilities, structuring deals to balance risk and profitability while ensuring compliance with bank credit policies.
- Managed a portfolio of borrowing relationships, monitoring credit quality and proactively addressing risk exposure through ongoing covenant and financial performance tracking.
- Identified opportunities for refinancing, upsizing, and cross-selling deposit and treasury products in partnership with Relationship Managers, contributing to portfolio revenue growth.
- Conducted annual and periodic portfolio reviews, assessing covenant compliance, risk rating accuracy, and overall credit performance; identified early warning signals and implemented mitigation strategies.
- Led implementation of a bank-wide risk platform, improving underwriting efficiency and portfolio monitoring; trained regional teams to drive adoption and operational consistency.

Credit Analyst

03/2021 – 05/2023

Bank of the Orient

San Francisco, CA

- Prepared loan approval packages, evaluating financial performance, structure, and risk factors to support credit decisions.
- Collaborated with Relationship Managers and engaged directly with clients during early-stage discussions to explore new lending opportunities.
- Coordinated cross-functional team to drive efficient deal execution, while training colleagues to streamline loan closings.

Loan Coordinator

10/2020 – 03/2021

Bank of the Orient

San Francisco, CA

- Supported early-stage underwriting by spreading financials and organizing borrower information, helping streamline credit evaluation and decision-making.
- Oversaw end-to-end loan origination process, including review of third-party reports to ensure smooth progression to closing.
- Reviewed loan documentation, including legal and credit agreements, to ensure accuracy and compliance with credit approval terms.
- Developed strong relationships with clients, brokers, title companies, and insurance companies to enhance collaboration and ensure seamless transactions.
